

Leaks Reveal Elon Musk Is A Fraud Who Is Protected By Obama in Exchange For Funding DNC Campaigns

The Federal Reserve Bank, The Federal Trade Commission, The Securities and Exchange Commission, The Internal Revenue Service, The Department of Transportation, The Department of Energy, and other top federal departments have White House orders to, not only, “stay away from Elon Musk” but to give him exclusive extra government perks!

It is a fact that all of the above agencies have received reams of complaints about Musk and his companies but, so far, they have slow-walked or “stood-down” on all investigations.

Will the FBI do better?

Demands have been filed for a Special Prosecutor to be assigned by the Department of Justice but, so far, those please have fallen on deaf ears.

Senate Republicans are discussing an insurrection unless they see “real” law enforcement action prior to the Election.

It is all part of a quid-pro-quo kick-back deal between Musk, Larry Page, John Doerr, Steve Westly and the White House. It has removed nearly a trillion dollars from the taxpayers pockets and put that taxpayer cash in the bank vaults of these Silicon Valley Insiders.

Elon Musk is believed to be the largest financier and promoter of anti-coal, anti-oil and anti-hydrogen fuel cell efforts in the world. His acrimonious stealth attacks have earned him the title of “The George Soros of Cleantech”. Coal companies have not only ratcheted up their attacks on Musk but have begun a massive “Doxxing” campaign to disclose Musk’s corruption links.

Musk and his Bromance buddy: Larry Page, work together to rig all Google news reports in order to hide any of the revelations about Musk and maintain a constant state of puff pieces and self-aggrandizing Musk glory stories on the web to run the smoke-screen.

The following item is thought to have come from Coal doxxers:
